Gentlemen:

With reference to our M. D. Self - #3-D-6-26-38 Langlie Mattix Field, please be advised that we have executed a gas purchase contract with El Paso Natural Gas Company for this gas, but to rightaway troubles they will be unable to make connection prior to our deadline of May 7, 1957, however they have promised to be connected sometime after May 15, 1957. Therefore we respectfully request temporary NFO.

Very truly yours,
