**Re: Carter Foundation  
Bline-Cade Waterflood Project  
Case No. 3362**

**Gentlemen:**

Order No. R-3027, dated January 13, 1966, authorized the captioned waterflood project by the injection of water into the Queen formation of the Carter Foundation Production Company, Blinebry Federal Lease, Wells #11, #13, #14, #15 and #16.

On October 17, 1968, the Blinebry Federal #17, located 1100' FSL and 100' FEL of Section 34, T-23-S, R-37-E, Lea County, was completed as a water injection well and subsequently reported to the Oil Conservation Commission as a part of the subject project. Enclosed is a schematic sketch of this completion and a location plat of the area.

Inasmuch as Order No. R-3027 did not authorize the drilling and completion of the Blinebry #17 within the project area, we herewith request administrative approval for the inclusion of this well in the Carter Foundation Bline-Cade Waterflood Project.

If you have further requirements, please advise.

Sincerely,

**Robert D. Fitting**

Re: Water Foundation  
Case No. 3582  
Case No. 3582

Attachment

Order No. R-607, dated January 13, 1966, authorized the  
operation of the water foundation project of the injection of water into the Queen  
Foundation of the Water Foundation Production Company, thereby  
prohibiting the use of the #11, #12, #13 and #14.

On October 17, 1966, the Shinerly Federal #11, located 1100'  
and 100' E of Section 34, T-10-S, R-37-E, La. County, was  
completed as a water injection well and subsequently reported to the  
Water Conservation Commission as a part of the subject project. The filed  
a statement of the status of this completion and a location map of the area.

Inasmuch as Order No. R-607 did not authorize the drilling and  
completion of the Shinerly #11 within the project area, we herewith re-  
quest administrative approval for the inclusion of this well in the water  
foundation #11-4 and #11-5 project.

If you have further questions, please advise.

Sincerely,

Robert D. Fitting
