12 Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On July 1, 1997 Arch filed a C-103 in error showing intent to plug and abandon the above well. The Hill A #4 is currently TA'd pending water flood operations. A special core analysis study has been done on Drinkard wells to evaluate secondary recovery on the Drinkard zone. Attached is a copy of the approved C-103 showing TA status expiring 09/08/02.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
