Per conversation with MR. Paul Kautz, Prize Operating Co. was given verbal approval on 3-6-2000, to run a production log on the above mentioned well to determine where water inflow is coming from. Once this is determined, Prize will shut the well back in and submit the appropriate paper work (permitting) to get the well back into OCD standards.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
