

"SOUTH LEA UNIT"

STATE OF TEXAS
County of Midland
I hereby certify that I am familiar with the conditions as they actually exist on the land and the surrounding land; that this plat accurately shows, according to the scale indicated thereon, the applicant's property upon which permit to drill has been sought and shows each object of property with the name of the lease owner and the location of wells thereon; that the acreage, number and location of wells and the location of the plot and this plat correctly reflects all pertinent and required data; that the dimensions if any shown on this plat are shown in accordance with the requirements of the Railroad Commission of Texas for plots of this character in order to designate the area included in the producing units into which each property is divided and for this purpose only; that the distances on the ground are to the best of my knowledge and belief as great as, if not greater than, the distances indicated on this plat; that such distances and lines are indicated without prejudice to the actual boundaries of the properties and the actual acreage included therein.

This is to certify that I am a registered professional engineer or registered land surveyor, in the State of New Mexico, that this map was prepared from field notes of actual surveys made by me or under my direction and that the same is true and correct to the best of my knowledge and belief.
