Gas Connection for sale of
Casinghead Gas

Gentlemen:

El Paso Natural Gas Company has this well under contract to purchase the casinghead gas.

El Paso Natural Gas Company informs me that they are currently in the process of obtaining Right of Way for the gathering lines, but that Right of Way clearance has not been received (see attached letter from El Paso Natural Gas Company). In addition, we have pending a request for a Small Producers Certificate. Approval of this request is expected about February 15, 1971.

Sincerely yours,

COQUINA OIL CORPORATION

Attention: Jim Taylor

Gentlemen:

This is to advise that El Paso Natural Gas Company is in the process of obtaining Right of Way to connect your Texaco-State #1 well, located 330' FSL and 660' FEL of Section 16, T-23-S, R-37-E, Lea County, New Mexico.

We expect Right of Way to be obtained within the near future and will have the well connected a short time after Right of Way clearance has been received.

Yours very truly,
