Gentlemen:

Please find attached your Form 3160-3 and appropriate attachments to re-enter and deep the subject well. This is a re-submission that was submitted November 20, 2001. This is being re-submitted because it was determined by field survey that the original well was not staked where the paperwork indicated. It is my understanding that the BLM will change prior records to indicate the correct location.

If you have questions please call me, and/or Don Pierson of the Carlsbad BLM Office. Thank you for your assistance in this matter.

Yours very truly,

A handwritten signature in cursive script that reads "Ronnie H. Westbrook".
