Gentlemen:

This is to advise that on July 29, 1982 the El Paso Natural Gas Co.'s Rhodes Storage Unit #23 withdrawal well located in Unit P of Section 8, Township 26S, Range 37E, Lea County, New Mexico was disconnected from El Paso's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of the well to produce into El Paso's 100# gathering system. (Meter #61-433-01)

Yours truly,
