17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The collar was dug out to expose outlets of braceheads from first string of pipe cemented in the well. All subsequent joints to & including the tubing head. Satisfactory connections below ground level & proper seal locations above ground level were inspected & approved by Tony Plattsmier.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
