Re: Surface Development Plan to
Drill Gulf's Wilson Federal
Com. No. 1, Lea County, N.M.

U. S. G. S.
P. O. Box 1157
Hobbs, New Mexico

Gentlemen:

The surface development plan for the proposed Wilson Federal Com. No. 1 is as follows:

1. Existing Roads - see attached map.
2. Planned Access Road - access to be from southeast over existing trail. New road to be constructed approximately 800' south from location to join existing trail and approximately 800' north from Midwest Oil & Gas Company's Custer Mountain Unit Federal No. 1 to connect to existing trail. See attached map. Road is to be of compacted caliche 12' wide.
3. Location of Wells - see attached map.
4. Lateral Roads to Well Location - see attached map.
5. Location of Tank Batteries and Flow Lines - none on lease. Battery to be installed on location if well is productive.
6. Location and Types of Water Supply - fresh water well in Section 4-24S-36E. Plan to drill water well at location.
7. Methods of Handling Waste Disposal - waste to be burned and refuse to be buried at job completion.
8. Location of Camps - none in area.
9. Location of Airstrips - none in area.
10. Location Layout - see attached drawing.
11. Plans for Restoration of Surface - area to be free of waste material. Pits to be filled and leveled after completion of work.
12. Other Essential Information - undulating surface with arid type vegetation cover.

Gulf Representative: K. L. Collins, Telephone 393-4121, Hobbs, New Mexico.

Yours very truly,

C. D. BORLAND
