Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Conoco would like to request Temporary Abandonment status approval for the above referenced well. A valid MIT was run 12/28/01 and the chart is attached.

We wish to retain this wellbore for evaluation to ensure that all zones are depleted in the Eumont before permanently plugging and abandoning the well. This evaluation should be completed within the next 12-18 months.
