INSTRUCTIONS: This form is to be filed in compliance with Rule 1104

- 1) Request for allowable for newly drilled or deepened well must be accompanied by tabulation of deviation tests taken in accordance with Rule 111.
- With Rule 111.

 27. All sections of this form must be filled out for allowable on new and recompleted wells:

 31. Fill out only Sections I. II. III. and VI for changes of operator, well name or number, transporter, or other such changes.

 4). Separate Form C-104 must be filed for each pool in analtiply completed wells.
