17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The cellar was dug out to expose cutlets of bradenheads from first string of pipe cemented in the well and all subsequent holes to and including the tubing head. Satisfactory connections below ground level and proper identification above ground level were inspected and approved by Tony Plattsman.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
