Re: Leonard Federal #13  
SW/4 Section 14, T26S-R37E  
Lea County, New Mexico

Gentlemen:

This will confirm that Bettis, Boyle and Stovall agrees to the formation of a 160 acre unit in the SW/4 of section 14, T26S-R37E as to the Rhodes Yates Seven Rivers Gas Formation and will make an election to United Gas Search as to our interest in the Leonard Federal #13. In the meantime, until the well in the SW4SW4 of Section 14 is plugged, it will be shut in so that the Leonard Federal #13 can produce.

Yours truly,

BETTIS, BOYLE & STOVALL
