Gentlemen:

This is to advise that on September 20, 1981 the Coquina Oil Corporation's Alexander #1 Wolfcamp gas well located in Unit B of Section 10, Township 24-S, Range 34-E, Lea County, New Mexico was disconnected from El Paso Natural Gas Co.'s gathering system. This meter has been final charted and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to well being plugged and abandoned.

Yours truly,
