Gentlemen:

This is to advise that on November 15, 1980 the Coquina Oil Corporation's Alexander #1 (Atoka) gas well located in Unit G of Section 10, Township 24S, Range 34E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter will remain on location and will record casinghead production from Wolfcamp oil zone until permanent status.

This disconnection was due to recompletion to Wolfcamp oil zone.

Yours truly,
