Mr. Lyons:

I have been in contact with Mr. Jerry Sexton, Supervisor, OCD District 1, of Hobbs, and he recommended that, after his conversation with you, I enclose a copy of the El Paso Natural Gas Company's letter addressed to Alpha Twenty-One Production Company concerning the above referenced wells for your viewing.

I seek your approval for the possibility of converting OCD Order No. R-7458 to be retroactive to the OCD Rules 408-412. Your kind and considerate cooperation regarding this matter is greatly appreciated.

If you have any further questions regarding this matter, please contact me. Thank you very much.

Sincerely yours,
