Re: Reclassification of wells in Jalmat Pool

Gentlemen:

Due to recently submitted gas-oil ratio tests, the wells listed below will be reclassified as gas wells in the Jalmat Pool effective September 1, 1983, and the oil allowables will be cancelled that date. It will be necessary for you to comply with the provisions of Division Order No. R-1670 pertaining to the Jalmat Pool, and that we be so notified, before a gas allowable can be assigned for each well.
