

This form is to be filed with the appropriate District Office of the Commission not later than _____ days after the completion of any newly-drilled or deepened well. It shall be accompanied by logs of all electrical and permeability logs run in the well and a summary of all special tests conducted, including inflow tests. All logs reported shall be measured by this, in the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 20 through 24 shall be reported for each zone. The form is to be filed in quadruplicate except on state land, where only one copy is required. (See Rule 11.5.)
