Gentlemen:

This is to advise that on November 11, 1982 the John Yuronka Company's Donna Fed. #1 Jalmat gas well located in Unit P of Section 22, Township 24S, Range 36E, Lea County, New Mexico was temporarily disconnected from El Paso's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of the well to produce into El Paso's low pressure gathering system. (Meter #58-509-01, Site Code 34124-01)

Yours truly,
