Gentlemen:

This is to advise that on November 30, 1986 the American Trading & Prod. Talco Unit #2, gas well located in Unit N of Section 2, Township 26, Range 35, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to no production.

Sincerely,

Robert Patterson
Production Coordinator
