RE: EXCEPTION TO RULE 402
Madera "29" Federal #1
Unit J, Sec. 29, T24S, R34E
Pitchford Ranch Morrow Gas Pool

Gentlemen:

As requested in your August 18, 1992, letter, and for the reason outlined therein, the above-referenced well will be exempt from the shutin pressure test requirement of Division Rule 402. This exemption is being made on a non-expiring basis pending workover or shutin of the well.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I

Re: Hardship Production
Pitchford Ranch Field

Hardship status is requested for the Madera 29 Federal 1. If this well is shut in for an appreciable time, the produced water causes wellbore damage. It is requested that this well not be required to be shut in for any reason.

Sincerely,

J. C. Ball
Production Manager
