Since our decision was made to plug this well, we have been approached by several companies and individuals expressing an interest in taking the well over. We also have several working interest owners in the well which we have not yet been able to contact concerning plugging the well.

The Sundry Notice approved by your office on 2/28/94 indicates plugging operations must commence by 5-28-94.

I need at least a 60-day extension and preferably a 90-day extension to P&A this well.
