Gentlemen:

Forms C-101 and C-102 for the South Leonard Unit Well No. 18 to be drilled in Unit E of Section 24, T-26-S, R-37-E, will be held without approval until we receive notification from our Santa Fe office that the unorthodox location has been approved.

Further, since the other wells in this unit carry a tract number, please advise the tract number for Well No. 18 and we will make the correction on Forms C-101 and C-102.

Yours very truly,

OIL CONSERVATION DIVISION
