Attention: Mr. William J. LeMay

Gentlemen:

BTA hereby requests administrative approval for the above unorthodox location.

Drilling the referenced well at the proposed location will allow BTA to improve structural position slightly, improve porosity and stay above water. We are attaching a copy of a structure map.

We have requested waivers from all offset operators, as shown on the attached map, and will forward as soon as received. Four of the "certified mail" receipts are enclosed.

Should you need further information, please advise.

Sincerely,

A handwritten signature in cursive script that reads "Dorothy Houghton".
