RE: UNORTHODOX LOCATION
B. F. Harrison "B" Well No. 5
North Teague Blinebry Gas Pool
Unit E, Section 9, T-23S, R-37E
Lea County, New Mexico

Gentlemen:

Texaco Exploration and Production Inc. respectfully requests an unorthodox well location for the B. F. Harrison "B" Well No. 5. This well was originally permitted as an oil well at a standard location. The subject well, however, was finally completed as the discovery well in the North Teague Blinebry Gas Pool and the location (1950' FNL and 560' FWL) is an unorthodox gas well location.

Attached is a copy of Form C-102 outlining the acreage to be dedicated to the subject well, a plat of the lease, and a list of offset operators that have been notified of this request by a copy of this letter.

Yours very truly,

J. A. Head/RSR
