13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Request 60 day extension of drilling permit. Finally we have the financial arrangements made to drill and the working interest owners are all ready to drill and our drill contractor is busy. Capstar Drilling will have a rig for us in two to four weeks and we need to wait for them. We will move on the location and spud as soon as Capstar can get to us. Your consideration of this request is appreciated.
