

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, Items 25 through 29 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1105.

A circular stamp is located in the bottom right corner of the page. The text inside the stamp reads "MAR 2000 Received Hobbs OCS". Around the perimeter of the stamp, the numbers 1 through 31 are arranged in a circle, likely representing days of the month. The stamp is slightly tilted and has a textured, ink-like appearance.
