RE: Completion Forms
Eva Blinebry B No. 1
Unit K, Sec. 34, T23S, R37E
Lea County, New Mexico

Gentlemen:

Please find enclosed BLM completion forms and your Form C-104 for our recently completed Eva Blinebry B No. 1. Also enclosed is the inclination survey. Since no 500-foot interval averaged five-degrees or more, no horizontal displacement figures were calculated.

This well is presently shut-in awaiting gas pipeline connection. This could take some time due to landowner, gas purchaser negotiations. A C-104 will be sent at time of gas connection. This well will not be produced until the gas line is connected.

Thank you for your attention in this matter. If you have any questions please call.

Yours very truly,

A handwritten signature in dark ink, appearing to read 'Ronnie H. Westbrook', is written over a horizontal line.
