# NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

(Form C-104)  
Revised 7/1/57

## REQUEST FOR (OIL) - ~~WATER~~ ALLOWABLE

New Well

This form shall be submitted by the operator before an initial allowable will be assigned to any completed Oil or Gas well. Form C-104 is to be submitted in QUADRUPLICATE to the same District Office to which Form C-101 was sent. The allowable will be assigned effective 7:00 A.M. on date of completion or recompletion, provided this form is filed during calendar month of completion or recompletion. The completion date shall be that date in the case of an oil well when new oil is delivered into the stock tanks. Gas must be reported on 15.025 psia at 60° Fahrenheit.

Title 0

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research.

2. The second part of the report is a detailed description of the methodology used in the study. It includes information about the sample size, the data collection methods, and the statistical analysis techniques.

3. The third part of the report is a discussion of the results of the study. It presents the findings of the research and compares them with the results of previous studies.

4. The fourth part of the report is a conclusion and a list of references. It summarizes the main findings of the study and provides a list of the sources used in the research.

5. The fifth part of the report is a list of appendices. It includes any additional information that is relevant to the study, such as raw data, questionnaires, and interview transcripts.

6. The sixth part of the report is a list of figures and tables. It includes any visual representations of the data, such as graphs, charts, and tables.

7. The seventh part of the report is a list of footnotes. It includes any additional information that is relevant to the study, such as corrections or clarifications.

8. The eighth part of the report is a list of acknowledgments. It includes any individuals or organizations that have provided support or assistance during the research process.

9. The ninth part of the report is a list of references. It includes any sources that have been cited in the report.

10. The tenth part of the report is a list of appendices. It includes any additional information that is relevant to the study, such as raw data, questionnaires, and interview transcripts.

11. The eleventh part of the report is a list of footnotes. It includes any additional information that is relevant to the study, such as corrections or clarifications.

12. The twelfth part of the report is a list of acknowledgments. It includes any individuals or organizations that have provided support or assistance during the research process.

13. The thirteenth part of the report is a list of references. It includes any sources that have been cited in the report.

14. The fourteenth part of the report is a list of appendices. It includes any additional information that is relevant to the study, such as raw data, questionnaires, and interview transcripts.

15. The fifteenth part of the report is a list of footnotes. It includes any additional information that is relevant to the study, such as corrections or clarifications.
