Re: Application for Non-Standard
Gas Proration Unit for
Bogle Oil Company
Arnett-Ramsay No. 1
Jalmat Gas Pool

Dear Sir:

Under the provisions of Commission Order No. R-520, Rule 5 (b) Special Rules and Regulations for the Jalmat Gas Pool, delegating the Secretary of the Commission authority to grant exceptions to the requirements of Rule 5 (a) without notice and hearing for a non-standard gas proration unit, Bogle Oil Company hereby applies for an exception to the rule for the Arnett-Ramsay No. 1.

In support of the application we present the following:

1. Application in triplicate with plat showing the proposed unit of 160 contiguous acres, consisting of the S/2 of the S/2 of Section 2, Township 25 South, Range 36 East, NMFM, Lea County, New Mexico. Offset owner-ships and the unit well, located 660 feet from the south line and 660 feet from the east line of said Section 2 are shown.
2. The entire proposed non-standard gas proration unit may reasonably be presumed to be gas productive, lies wholly within a single governmental section. Neither the length or width of the proposed unit exceeds 5280 feet.
3. By copy of this application all owners having interest in the section in which the proposed unit is situated and which acreage is not included in the unit, and all operators having interest within 1500 feet of the unit well have been notified by registered mail.

See Application for Non-Standard
Gas Protection Unit for
Bogio Oil Company
Amist-Hammy No. 1
Lalau Gas Pool

Dear Sir:

Under the provisions of Commission Order No. 6-280, Rule 2 (b) Special Rules
and Regulations for the Lalau Gas Pool, delegating the Secretary of the Com-
mission authority to grant exceptions to the requirements of Rule 2 (a) with-
out notice and hearing for a non-standard gas protection unit, Bogio Oil Com-
pany hereby applies for an exception to the rule for the Amist-Hammy No. 1.

In support of the application we present the following:

1. Application is triplicate with first showing the proposed unit of
the contiguous acre, consisting of the 2 1/2 of the 2 1/2 of Section 2, Town-
ship 22 South, Range 36 East, N.M.P., New Mexico. Oil and gas
wells and the unit, located 600 feet from the south line and 600 feet
from the east line of said Section 2 are shown.

2. The entire proposed non-standard gas protection unit was reasonably
be presumed to be gas productive, lies wholly within a single governmental
section. Neither the length or width of the proposed unit exceeds 1200 feet.

3. A copy of this application all owners having interest in the
section in which the proposed unit is situated and which acreage is not
included in the unit, and all operators having interest within 1200 feet
of the unit will have been notified by registered mail.
