Mr. F. J. Vesley,
State Oil & Gas Inspector,
Carlsbad, New Mexico.

Dear Sir:

In accordance with discussions between Mr. Gray and yourself some time ago we wish to make formal request to save bradenhead gas on our Arnott State #1 Section 2, Township 25 South, Range 36 East, and Arnott "B" State #1, Section 32, Township 25 South, Range 37 East. These two wells will be completed in the same manner as our Bell State #1, Bell-Ramsay State #1, and A. F. Houston #1 at Eunice; with which you are familiar.

Very truly yours,
