Mr. F.J. Vesely,  
State Oil & Gas Inspector,  
Box 522,  
Carlsbad, New Mexico.

Dear Sir:

Some time ago you wrote us relative to the Guess-Conditt Well No.1, in Section 12, Township 25-South, Range 36-East in regard to complaints you had with reference to the high gas-oil ratio of that well.

On January 10th we forwarded this complaint to Mr. L.C.White, agent for Mr. J. Van Houten of Raton, New Mexico who is in charge of the well for Mr. Van Houten.

May we at this time inquire as to whether or not the complaint which you made against the well has been remedied.

We are anxious to preserve the value of this well, but under the court order which involves the proceeds of this well until a certain amount has been paid, the control of the well is with Mr. Van Houten, through his agent, L.C. White, and in case the necessary corrections have not been made we wish to protest with Mr. White.

Very truly yours,

NEW MEXICO EXPLORATION CO., LTD.
