Eunice, New Mexico

Gentlemen:

According to information submitted on Form C-103 for your Sholes A-13 No. 3 in Unit P of Section 13, T-25-S, R-36-E, Jalmat Gas Pool, the well is now and shut-in. It is our understanding that El Paso Natural Gas Co. has not disconnected, however.

Please advise as to whether or not you wish this well to remain on the Gas Proration Schedule with an allowable.

Yours very truly,

OIL CONSERVATION COMMISSION

R. F. Montgomery
Proration Manager
