1. All operators owning interest within 1500 feet of the well to which gas proration unit is proposed, have been notified by registered mail.

We have attached a gas well plat which shows the non-standard proration unit to be dedicated to subject well. We have also attached a copy of our letter to all offset operators advising them of this application.

We would like to request administrative approval of this application under Rule 5-B of the Rules and Regulations for the Jarama Gas Pool.

Yours very truly,

HUMBLE OIL & REFINING COMPANY
