A review of the records for your Lease Well No. S.T.R.
in the Langlie Mattix Pool, which has a Gas Oil Ratio in excess
of 100,000-1, indicates that this well should remain in the Langlie Mattix
Oil pool. The Gas Oil Ratio limit in this Pool is 10,000, which
means that gas production cannot exceed top allowable for the pool multiplied
by the Gas Oil Ratio limit for the pool.

Yours very truly,
