Dear Sir:

As requested in your letter of April 18th, I am sending you duplicate copies of the report filed showing the amount of pipe run and the cement used in plugging the Lindley #2, Sec 23-25-36.

This report was sent in at the same time the other reports were filed, but evidently it was misplaced before reaching you.

On March 31st I mailed you a duplicate copy of Form C-105. If you need another copy to complete your records, please advise.

Yours very truly,

Ralph Lowe
