Mr. Ralph Lowe
Box 1767
Midland, Texas

Dear Mr. Lowe:

In reply to your letter of March 31, 1947, with the enclosed Form C-105, Well Record, of your Lindly #2 Well, Sec. 23, T. 25, R. 36, our files reflect that up until March 29, 1947, we had only received Notice of Intention to Drill. At this time we received Form C-102, Notice of Intention to Plug.

When I received this notice I visited the location and found that the well was already plugged and abandoned.

Will you file forms stating the amount of pipe run and the cement used in the well.

I will cite you Rule 28, Order 4, as follows:

"Before plugging a well, notice shall be given to the Commission by filing in triplicate Form C-102, "Miscellaneous Notices." Work shall not begin until approval is obtained. A copy of the notice will be returned to the owner, on which will be given the approval of the Commission of the plugging plan submitted with any modifications considered essential. The notice shall give a detailed statement of the proposed work; including length and depth of plugs; plans for mudding, cementing, sheeting, testing and removing casing; and the date of the proposed plugging operations. Before plugging any well, the owner shall give notice to all available adjoining lease and property owners, and representatives of such adjoining lease and property owners may be present to witness the plugging, if they so desire, but plugging shall not be delayed because of inability to deliver notice to adjoining lease or property owners.

"If not previously filed, a complete log of the well on Form C-105 shall accompany the notice of intention to plug the well."

Very truly yours,

Oil & Gas Inspector
