New Mexico Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Gentlemen:

Re: Order No. NSP-539
STANDARD PRODUCTION COMPANY
Brown No. 1

Under Administrative Order No. NSP-539, the Commission has assigned 200 acres, the NW/4 and the NW/4 of the SW/4 of Section 25 Township 25 South, Range 36 East, NMPM, Lea County, New Mexico, to the Standard Production Company's Brown No. 1, Jalmat Gas Pool.

As agents for Standard Production Company, we are applying for an increase in acreage to include the SW/4 of the SW/4 of Section 25, which Standard has taken over. This will increase the unit to 240 acres, outlined on the attached plat.

The 40 acres described is wholly within the governmental section and can reasonably be presumed to be gas productive.

By copy of this letter, offset operators listed below have been notified of this application by registered mail.

Yours very truly,

OIL REPORTS AND GAS SERVICES
