Sec. 36, T25S, R36E  
Jalmat T-Y-SR Pool

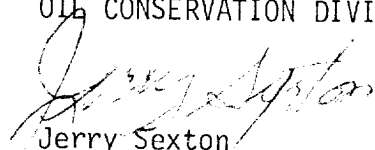

Gentlemen:

According to a note on your recently filed C-116 report you indicate the above-referenced well has been converted to a water supply well. In order to keep our records current, please File Form C-103 covering this work if the well is a water supply well from the Jalmat T-Y-SR. If it was plugged back from that pool you will need to file a C-105.

If you have questions concerning this, please contact Evelyn Downs at (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION
