

A 4x4 grid representing a spatial domain. The grid is composed of 16 small squares. The cardinal directions are labeled: 'N' at the top center, 'S' at the bottom center, 'E' on the right side, and 'W' on the left side. The grid is used to illustrate the spatial arrangement of sampling points and the resulting spatial autocorrelation structure.

Spudded 6 - 16 - 24 - 30 Completed
