1. The Commission has received information from the Government of the United Kingdom that the Government is considering the possibility of introducing a new law which would require the Government to provide information to the public regarding the activities of the Government in the field of human rights. The Commission is aware that the Government has a long history of cooperation with the Commission and is pleased to hear that the Government is considering such a measure. The Commission would like to see the Government introduce such a law as soon as possible.
