Gentlemen:

This is to advise that on October 12, 1980 the Cities Service Oil Company's Thomas #2 gas well located in Unit G of Section 19, Township 24S, Range 37-E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter will remain on location temporarily, and operative on new zone, until permanent status of the measuring arrangement is determined.

This disconnection was due to recompletion from Jalmat Yates Seven Rivers gas zone to Jalmat Yates Seven Rivers oil zone.

Yours truly,
