Gentlemen:

Under the provisions of Commission Order No. R-520 your J. J. Thomas Well No. 1-B in Section 19, T-24-S, R-37-E, Jalmat Pool, is hereby reclassified as a Jalmat gas well on the basis of your latest gas-oil ratio test.

This well is to be shut in and will remain shut in until Commission Form C-128 indicating dedicated acreage has been filed with this office. Also, in the event that less than 640 acres is dedicated to this well, it will be necessary that you obtain a Non-Standard Proration Unit Order from the Commission. Before a gas allowable can be assigned it will also be necessary that you submit a deliverability test, and that your transporter submit a Notice of Gas Connection.

Yours very truly,

OIL CONSERVATION COMMISSION
