

NE MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commissioner or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Midland, Texas, October 3rd, 1939.

Place

Date

OIL CONSERVATION COMMISSION,

Santa Fe, New Mexico.

Gentlemen:

DUPLICATE

Following is a notice of intention to do certain work as described below at the

The Texas Company's **J. F. Black** Well No. **2** in **NE 1/4 SW 1/4**
 Company or Operator Lease
 of Sec. **21**, T. **24**, R. **37**, N. M. P. M., **Mattix** Field,
Lea County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

T. D. 3565'; 7" OD at 3070'; 2" tubing at 3565 with 7" x 2" packer at 3024'.

This well is now flowing an average of 20 barrels oil per day with no water and a GOR of 4830', having decreased steadily from its initial production of 46 barrels in 9 hours made on 6-19-37. We propose to clean the cavings and paraffin from the sand face and lower the tubing perforations which are now 120 feet off bottom, in an effort to increase the production of the well.

OCT 4 - 1939

Approved _____, 19____
