Subject: Application For Exception
to NMOCC's Rule No. 104,
Pan American Petroleum
Corporation's South Mattix
Unit Well No. 11, Fowler-
Paddock-Gas Field.

Mr. A. L. Porter, Jr. (3)
New Mexico Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Dear Sir:

In accordance with the provisions of NMOCC's Rule No. 104(f) delegating the Secretary of the Commission authority to approve an unorthodox well location by administrative action without notice and hearing, Pan American Petroleum Corporation hereby applies for your approval of an unorthodox location for the South Mattix Unit Well No. 11 by the granting of an exception to the location requirements of Rule 104(d).

- In support of the application, the following data is furnished:
- (1) Application is submitted in triplicate.
 - (2) Well No. 11 has recently been recompleted from the Fowler Fusselman Field to the Fowler-Paddock-Gas Field. The location of Well No. 11 conformed with Rule 104 as an oil well but became an unorthodox location for a gas well as it is less than 660 feet from the lease line.
 - (3) The proposed gas proration unit of 160 acres consists of the NE $\frac{1}{4}$ of Section 22, T-24-S, R-37-E.
 - (4) Exact location and name of well involved:
South Mattix Unit Well No. 11 located 2310' from North Line and 330' from East line of Section 22, T-24-S, R-37-E, Lea County, New Mexico.
 - (5) By a copy of this letter of application, all offset operators owning interests within a radius of 660 feet of this well have been notified by certified mail of this application, as shown on the attached mailing list.

A plat showing acreage to be dedicated, well location and offset ownership is attached.

Yours very truly,

COPY
