Gentlemen:

Permission is hereby requested to sell approximately 200 barrels of oil produced from our Lillie No. 1 well to The Permian Corporation.

This oil was produced during testing as a result of an unsuccessful recompletion attempt in the Fowler Fusselman pool. Gulf's Lillie No. 1 located in Unit D Section 23-24S-37E, Lea County, New Mexico, is now closed in and no further work is contemplated in the Fowler Fusselman Zone and Gulf wishes to release the test tank used during recompletion operations.

Yours very truly,

R. C. ANDERSON
