SCHEDULE NO. _____ DATE _____

PIPE LINE TAKING OIL Texas New Mexico Pipe Line Company

REMARKS: Would appreciate getting COMPANY: Plains Production Company
on June, 1947 Schedule

SIGNED BY: W. L. Cooper Agent

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the statistical analysis performed.

3. The third part of the document presents the results of the study. It includes a series of tables and graphs that illustrate the findings of the research. The data shows a clear trend of increasing values over time.

4. The fourth part of the document discusses the implications of the findings. It highlights the potential applications of the research in various fields and the need for further investigation in this area.

5. The fifth part of the document provides a conclusion and a summary of the key points. It reiterates the importance of the research and the need for continued efforts in this field. The document also includes a list of references and a bibliography.

6. The sixth part of the document contains a series of appendices and supplementary materials. These include additional data, detailed calculations, and a list of figures and tables. The appendices provide a comprehensive overview of the research and its findings.

7. The seventh part of the document is a list of references and a bibliography. It includes a list of all the sources used in the research, including books, articles, and online resources. The references are organized alphabetically by author name.

8. The eighth part of the document is a list of figures and tables. It includes a list of all the visual elements used in the research, including graphs, charts, and tables. The figures and tables are organized by their respective sections in the document.

9. The ninth part of the document is a list of figures and tables. It includes a list of all the visual elements used in the research, including graphs, charts, and tables. The figures and tables are organized by their respective sections in the document.

10. The tenth part of the document is a list of figures and tables. It includes a list of all the visual elements used in the research, including graphs, charts, and tables. The figures and tables are organized by their respective sections in the document.

11. The eleventh part of the document is a list of figures and tables. It includes a list of all the visual elements used in the research, including graphs, charts, and tables. The figures and tables are organized by their respective sections in the document.
