HOBBS, NEW MEXICO

June 4, 1956

Mr. J. H. Moore  
Box 1537  
Hobbs, New Mex.

Dear Mr. Moore:

Mr. M. L. Armstrong, Oil & Gas Inspector, has made another inspection of the location for your plugged and abandoned Simmons #1 in Unit D of Section 25-24S-37E and has found that there is a great deal of work to be done before your final plugging report can be approved. Mr. Armstrong found a small pit full of oil, oil all over the location, a lot of junk and the location has not been stenciled on the marker.

Please give this matter your immediate attention and notify the Commission when the work has been done so that a final inspection may be made and the files cleared on this well.

Yours very truly,

OIL CONSERVATION COMMISSION
