Re: Reclassification
Jacks B-26 #3-L
Sec 26, T24S, R37E
Jalmat Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above-referenced well in the Jalmat Pool, the well will be reclassified as an oil well effective November 1, 1986, and the gas allowable will be cancelled that date.

If your transporters should change due to this reclassification, please submit Form C-104 indicating correct transporters.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
